INTRO

Whether your room has a single use or needs to perform a variety of functions, our furniture is designed to be flexible and configurable to fit your space and create a bespoke environment. We are here to help you get the most from your space and provide a free design and space planning service. Tell us what your aspirations are, what you need the room to do, and we will work with you to come up with a design which works for you, within your budget.

Our Different Squares sales team are happy to visit you and discuss your requirements in person; they can then measure up, offer advice and provide a free, no obligation quotation.

The visuals on this page are given to show just some of the layouts that can be created with our furniture and the space planning and design services we can offer. Call us now and let us help you visualise your project.

Space Planning

Here every step of the way

Whether you're planning a refit for a complete building, or simply the refurbishment of a single room, our advice and expertise is there for you. Our experienced team will work with you to design the environment which best suits your needs and your budget. Our service includes a site survey, CAD lay-out, material samples and colour boards.

2 Years Warranty on Everything

The modern teaching environment places heavy demands on furniture and fittings, so we build quality and durability into everything we produce. Proof of our commitment to the highest standards is our 2 years

Manufacturing defect warranty on everything in this brochure, subject to fair wear and tear. All the images are for reference purpose only.

Pre Primary Furniture :

Imagine a classroom where all the teaching resources are stored to hand; in units perfectly designed to suit each resource; conveniently accessible to both children and teachers; easily identifiable or co-ordinated by colour; mobile, for use in any part of the learning space and simple to tidy away at the end of the session.
