ABOUT US

DIFFERENT SQUARES

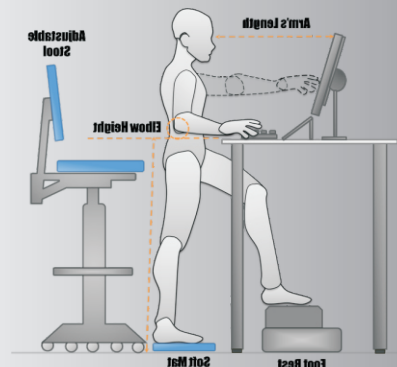

◆ DESIRED ◆ DELIVERED ◆ DELIGHTED ◆

Different Squares Ventures Pvt. Ltd. We are different verticals united by a common purpose - to enable people to Rise. Today, our operations span in 12 key industries that forms the foundation of every modern economy: architecture, turnkey solution for interiors in commercial n residential, agri-business- organic food product, modular furniture, kitchen modular, school furniture, modular ceiling, retail fixtures, daily organized car washing and commercial n residential property solution.

Different Squares believes in making a difference. We stand for value for money, quality, innovation, fun and a sense of competitive challenge. We strive to achieve this by empowering our employees to continually deliver an unbeatable customer experience.

This commitment to sustainability - rests upon a set of core values we have. They are an amalgamation of what we have been, what we are, and what we want to be. These values are the compass that guides our actions, both personal and corporate

OFFICE FURNITURE

The individualized offices are provided by breaking through conventional models and offering, efficient equipment. In such a surrounding, the employees would work with a pleasant mood and improved efficiently.
